We’ve been encouraged and blessed to see the faith community coming together around our cause. Here are some ideas on how to get your church involved.

**Give to our cause**
Advocate for your church to become a Freedom House Partner to support our ministry through financial contribution, volunteer support, and prayer. We greatly appreciate the monthly financial support of our partners, which helps to fund the operation of our safe home and program.

**Throw a benefit**
Put your event planning skills to use for a good cause! Our volunteers have organized events such as freedom walk-a-thon, Free2Laugh comedy night, and benefit art show. You can organize a jewelry party, selling pieces made by Freedom House residents, or a housewarming party to collect much-needed items for our shelter.

**Work on a house project**
For those who would like to get hands-on and help make our safe house a more beautiful home, we’d love to talk to you about possible group projects. In the past these have included painting the walls, decorating the living room, creating gardens, renovating the garage/office space, and building a backyard tool shed.

**Invite a speaker**
We’d love to have a Freedom House representative come share about human trafficking and the work Freedom House does with your congregation. This can be at a conference, church service, small group, or other setting. Freedom House can also host a table with printed materials and representatives to answer questions.

**Mobilize volunteers**
Volunteering is a great way for members of the church to get involved on a deeper level. We offer volunteer trainings for anyone interested in becoming a shelter volunteer (to provide direct support to the residents of Freedom House) or an advocate volunteer (to help raise awareness about the issue and connect people to our cause).

**Pray for the ministry**
We ask our prayer warrior partners to lift up Freedom House in their prayers. Please pray for the protection of the home, the residents, staff, and volunteers. Together we pray for healing and hope in Christ for the survivors we serve.

*Freedom House is a 501(c)(3) non-profit organization with a mission to bring hope, restoration, and a new life to survivors of human trafficking by providing a safe home and long-term aftercare. In August 2010, the organization opened the first safe house in Northern California for adult female survivors of human trafficking.*
