

# FREEDOM HOUSE

## Calling all modern day abolitionists!

Freedom House needs compassionate and dedicated individuals like yourselves to join in our mission to empower survivors of human trafficking.

Become a Freedom House volunteer by attending our [volunteer training](#) coming up in September. It's the perfect opportunity to get involved, whether you want to be an Advocate Volunteer to raise awareness about our cause or a Shelter Volunteer to make a direct impact on our residents.

Advocate training is on Sept. 4. Shelter trainings are on Sept. 4, 6, 8, 11, 13, 15 (attend all sessions). Trainings will be held in San Mateo County. Contact Tina at [tina@freedom-house.us.com](mailto:tina@freedom-house.us.com).

### Spotlight on a Shelter Volunteer: Karen

Every week Karen makes a 3-hour round trip drive to the house to host Family Dinner. She lovingly prepares a meal with the residents and leads Bible study. The residents say she's like a second mom to them.

*"Volunteering at Freedom House is such a blessing. It is an experience of growing my own faith and trust in God to live through me to be an agent of healing for the women in the house." - Karen*

### Spotlight on an Advocate Volunteer: Matt

Matt is a tireless advocate for our cause. He's given talks to church groups, law enforcement, and other community organizations. Also one of the few male shelter volunteers, he serves as a positive male figure for the residents.

*"Being a volunteer has meant many things. Whether it's helping with projects around the home or advocating at a speaking event, I've been enriched by giving back directly to survivors." - Matt*

Now YOU have a chance to help restore the lives of survivors right here in your own backyard. Come out to our training and invite your friends! To get [more info](#) and sign up, contact Tina at [tina@freedom-house.us.com](mailto:tina@freedom-house.us.com).
